Lung X-Rays Required
For the protection of children in the Torrance School District, the Board of Education requires all teachers, administrators, and other classified employees of the district to file a current chest x-ray at the beginning of the school year. These reports must be kept current and will qualify for the school year only if they are taken on or after July 1, 1960.
X-rays may be made by a personal doctor or obtained free of charge at any of the County Health Centers.

Teachers Get Salary Hike
A revised schedule of teacher's salaries was approved recently by the Board of Education. The new schedule calls for a minimum salary of \$5000 for the ten months school year. Maximum salaries were jumped to \$8,736.
Torrance teachers are paid according to experience and education. Three classifications and twelve levels in the classification are maintained to insure that each teacher will be paid according to the regulations specified by the Board.

Sunday Message
The Rev. Thomas Gibson of St. Luke's Presbyterian Church, Rolling Hills Estates, will deliver a message entitled "The Holy Spirit" at the 9:30 a.m. services Sunday. The message concludes a series on the Trinity.
